# LAMP Words For Life 84 Full Core Word Activity - Windsock

Celebrate the arrival of Spring by making a Windsock! You need a sheet of cardstock paper, markers, stickers, crayons, paints, ribbons/crepe paper and string. After decorating the cardstock roll it into a tube and fasten with tape or staples. Glue or tape 15" ribbon/crepe paper streamers inside the bottom of the tube. Punch two holes on both sides of the top of the tube and use ribbon or string to make a handle. Hang up and watch the wind blow through your windsock! As the communication partner, whether you are a family member, teacher, therapist or friend, use these words as you talk to model where they are located and how powerful they can be. Look for opportunities to teach and model these words while making a windsock this month!
