# LAMP Words For Life 84 Full Core Word Activity - Back to School

August means back to school for many students. Whether school for you is virtual distance learning, in-person at your school building, at home, or some combination, it's important to get familiar with vocabulary for learning. Getting your school supplies, meeting your teacher and making friends are exciting for young students. Practice these words and learn how to make short phrases for a super start to the school year!

As the communication partner, whether you are a family member, teacher, therapist or friend, use these words as you talk to model where they are located and how powerful they can be. Look for opportunities to teach and model these words as you dive back into learning this month!
