Core Word Activity - Gingerbread House

Make a pretty gingerbread house this month. You can use a kit, build one from graham crackers and candy, or use cardboard, small decorations, and art supplies to make a "sustainable" house you can enjoy for years. Get creative and add special touches to your candy house. Share the results with friends and family.

As the communication partner, whether you are a family member, teacher, therapist or friend, use these words as you talk to model where they are located and how powerful they can be. Look for opportunities to teach and model these words while making apple volcanoes this month.
