Unity 84 Sequenced Core Word Activity Picnic

It's fun to plan a picnic with your family and friends. Thinking about what foods and drinks you want to pack, where you want to go, and games you might play are all part of the process. Whether you have a picnic at the park or in your backyard, this is a nice way to share food and fun. Use the word "will" to teach the concept of future tense as you plan what you "will" take, eat, and play on your picnic.

As the communication partner, whether you are a family member, teacher, therapist or friend, use these words as you talk to model where they are located and how powerful they can be. Look for opportunities to teach and model words as you enjoy one or many picnics this month!
