Core Word Activity

Spring is here!. Get outside and go on a Spring scavenger hunt! Take a walk in your backyard or neighborhood and look for the beauty we see around us in nature. Find a flower, tree, leaf, rock and more as you look around. Maybe you'll find a duck or a rabbit? If it's hard to get outside, look out the window, watch a nature movie or video clip and try to spot some of these items.

As the communication partner, whether you are a family member, teacher, therapist or friend, use these words as you talk to model where they are located and how powerful they can be. Look for opportunities to teach and model words as you go on a Spring scavenger hunt this month!
